Dear Shrimpfest Sponsor,

The Princeton Rotary Club's 3rd Annual Shrimpfest will take place on Saturday, June 1, 2024. We are excited to once again offer this event at Rotary Park, and we hope you will consider Shrimpfest sponsorship. We would certainly appreciate your support.

Last year, we welcomed over 7,000 visitors to Shrimpfest, and we expect the crowd numbers to be even larger this year! The event continues to grow with great food and beverage choices, expanded live music, and of course, our children's station!

Attached please find an invoice for your convenience and an explanation of the various levels of sponsorship. Please note that proceeds from Shrimpfest provide scholarships for students at three different levels including four year universities, two year community colleges, and vocational training schools.

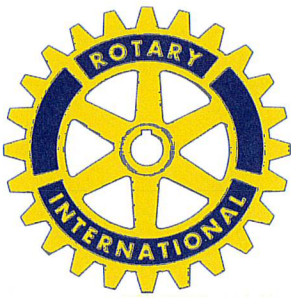

Thank you for your consideration and we look forward to your support.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Stutzke".

Michael Stutzke
Princeton Rotary Club
Shrimpfest Chairman
